Optional cable management system our hinged cable tray keeps your cables tidy for only CHF 69.00

# Customers are delighted with the Elevate

1'000+

★★★★★ reviews

"I like the table very much. It is very quiet and also fast. There's a feature where the table stops if it would otherwise bump into something."

A. Weich

"The table does not wobble or creak in any way. I really enjoy working at this table. It makes working in the home office fun. That's why I think the price-performance ratio is unbeatable."

M. Blaschke

"Super fast & delivered on time, set up in minutes by friendly delivery team. Works super easy - am happy."

Felix

"I like the option of ordering the waste to be taken away immediately. I haven't found that before with any company."

A. Vogt

"An absolutely top model - from the appearance to the quiet motor, with the help of which you can adjust the height of the table. Works flawlessly!"

F. Santamato

"I am super happy to have bought this table. It's easy to assemble, very stable and the height adjustability with the memory functions is perfect and makes it really easy to use."

A. Bechtel

"The table itself is a lot of fun. It's sturdy and beautiful, and the lift function is very quiet and fast. Just tap the switch for the stored height and the table does the rest automatically."

P. Geiter

# Measurements

## Ideal for ...

- People between 1.60 - 2.10 m
- Ergonomics oriented design lovers
- Offices and home offices with appreciation for high quality and durability

# Material

## Materiality

- Table top: melamine faced chipboard (MFC) of emission class E1; FSC 100% certified
- Table legs: steel with 2 mm thickness

Material details

Melamine laminated chipboard is particularly resistant to scratches and dirt.

The rounded edges of the table not only look nice, but also prevent pressure points on the thighs.

Design-wise, the ofinto table legs convince with their flawless workmanship without any visible screw holes or welded seams.

The 2 mm thick steel legs give the table a high degree of stability. In addition, they contain the dual motor system.
